“

The move has been a resounding success. **Exceptional facilities** including the **gym, padel courts**, and the **Atrium Cafe** – an ideal setting for lunch, meetings, and informal break out sessions – plus **surrounding green spaces, seating areas, and fountain** create a unique environment rarely found in a town centre location. The landlord and management team ensured a seamless transition and continue to provide excellent day-to-day support. One Arlington Square was the best workplace we viewed, and the staff are delighted with our choice.

“

What we love most about One Arlington Square is the **abundance of natural light and the bright, airy atmosphere** – it creates a real sense of **calm and focus** throughout the working day. The **central atrium is a fantastic feature too** – it's become our go-to spot for informal catch-ups, impromptu meetings, or simply to enjoy a coffee in a relaxed, open setting.
